

Licensed Mental Health Professionals- Licensed Psychologist (LP), Licensed Marriage and Family Therapist, Licensed Independent Clinical Social Worker (LMFT, LICSW), Licensed Professional Clinical Counselor (LPCC)

The Minnesota Autism Center is seeking a full-time mental health professional, licensed in the State of Minnesota as an LP, LMFT, LICSW or LPCC.

The Minnesota Autism Center (MAC) is a non-profit organization that serves children and youth diagnosed with Autism Spectrum Disorders (ASD) in home, school and center-based settings. This position would include working with a team of highly qualified mental health practitioners in the delivery of intensive behavioral therapy services. The position would also include providing the clinical supervision needed to meet CTSS (Children's Therapeutic Services and Support) State requirements.

The qualified candidate will have experience working with children with developmental disabilities, preferably children with ASD. Experience with behavioral therapy and existing credentials with insurance companies is also preferred, but not required. We are looking to expand services and would like to hire for these positions in the near future.

The position includes the opportunity for competitive compensation and excellent benefits. If you are interested in this great opportunity please contact Minnesota Autism Center, Attention: Ryan Cornelius, Human Resources, 5710 Baker Road, Minnetonka, MN 55345. Email interest to: hr@mnautism.org. Call 952-767-4200 with questions/interest or fax resume to 952-767-4211.
