Group Goals:

- Provide a relaxing environment where siblings of children with autism can meet other siblings
- Provide a safe place to discuss the positives and negatives of having a sibling with autism
- Offer an environment where kids can join in recreational activities surrounded solely by other kids with similar family dynamics
- Discuss with other siblings coping strategies and ways to enhance positive interactions with their sibling
- Open doors of communication between parents and children about the joys and concerns of living in a family with a child with autism
