LET'S MAKE AN IMPACT TOGETHER

Partner with us for a day of golf, community, and purpose — and help create brighter futures!

BENEFITING

For 30 years, MAC Midwest has supported individuals with autism and their families through coordinated care that builds communication, independence, and confidence, with growing services for broader neurodevelopmental differences.

This event honors the legacy of Doug Trangsrud, whose son John was part of the MAC family for many years, and ensures others like John and his family have access to the services, support, and opportunities they need to thrive.
